POP
GIRL

The image features the words "POP" and "GIRL" in a vibrant, stylized graffiti font. The letters are thick and outlined in black. "POP" is rendered in orange and purple with diagonal hatching, while "GIRL" is in pink and purple with diagonal hatching. The text is set against a white background with three stars: a purple star on the left, an orange star on the right, and a white star at the top. A crown is positioned above the "O" in "POP".

The background features a repeating pattern of the words 'T-SHIRT' in a stylized, blocky font. The text is rendered in a dark teal color with a slight gradient and is set against a dark grey background. Two thin, wavy lines in a reddish-pink hue cross the scene diagonally. The overall aesthetic is modern and graphic.
