Carpet and Rug Design Collection

The image features a complex, multi-layered border pattern. The outermost border consists of a repeating diamond or floral motif in dark red and blue on a brown background. Inside this is a narrower band with a repeating geometric pattern. The next layer is a wide band with a repeating zigzag or chevron pattern in dark blue and red. The innermost border is a thin, solid dark blue line. In the center of the carpet is a solid brown rectangular area containing the text.
